Message Dear Mr. White: As I explained to you during our telephone conversation, I am trying to obtain a fax copy of the Certificate of Correction for the above-referenced patent. The request for the Certificate of Correction was filed with the Patent Office on May 16, 2002, and was processed and approved on April 30, 2003. I was told it would be 2-3 weeks before we would receive the original Certificate. We would like to obtain either a fax copy of the Certificate of Correction or some evidence of what was approved by the Patent Office as soon as possible. Thank you for your assistance.
